COVID-19: Lateral Flow Tests (LFTs) and vaccination update

Increased testing and raising the proportion of people vaccinated are vital in keeping our communities safe and reducing the impact of COVID-19. All adults over 18 can now get vaccinated. Play your part by encouraging your staff to take up the offer. Appointments can be booked by calling 0300 084 0004 or going to:

<https://bcuhb.nhs.wales/covid-19/covid-19-vaccination-information/>

Making sure staff and customers test themselves will help stop COVID-19 spreading. Visitors are encouraged to bring LFTs with them and test themselves before and during their visits. Staff – particularly those in customer facing roles – should also be encouraged to test themselves regularly. Information on how to get lateral flow tests is available here:

COVID-19: Together Stronger!

With a busy weekend on the cards (C'mon Wales!) – hospitality businesses in particular can play their part in keeping staff, customers and the community safe by focusing on:

- VENTILATION – KEEPING RECORDS – FACE MASKS – SOCIAL DISTANCING
