**DECISION NOTICE OF AN INDIVIDUAL MEMBER OF GWYNEDD COUNCIL
CABINET – OFFICER REPORT**

Name and title of Cabinet Member(s):	Cllr. Berwyn Parry Jones Highways, Engineering and YGC Cabinet Member
Name and title of Report Author :	Steffan Jones Head of Highways, Engineering and YGC
Date of Decision :	15 August, 2024
Signature of Cabinet Member(s):	 Accept the Recommendation

Subject : Streetscene Enforcement – Extension of the period of Gwynedd Council (Dog Control) Public Spaces Protection Order 2021.

Recommendation for Decision :

Approve the proposed extension of the Gwynedd Council (Dog Control) Public Spaces Protection Order 2021 for a period of three years to 14 August 2027 by Order.

Reason why Decision is needed :

In accordance with the of Anti-Social Behaviour Crime and Policing Act 2014 a public spaces protection order effective for a period of three years. To continue with the relevant dog control powers the order needs to be renewed, replaced, or extended. In this case, extension is the most suitable option and requires a decision to make a further order to extend the period.

Reason and justification behind the Decision :

Background:

The Gwynedd Council (Dog Control) Public Spaces Protection Order 2021 is in effect for a period of 3 years until 14 August 2024 (Appendix 2). The intention is to extend the order without any change for a further period of 3 years, up to 14 August 2027.

The Gwynedd Council (Dog Control) Public Spaces Protection Order 2021 relates to three aspects of dog control:

Dog Exclusions:

Dogs will be excluded from 18 specific beaches between April 1 and September 30 each year. The exclusion areas on these beaches are defined in detail in plans (maps) attached to the Order. In addition, dogs will be excluded throughout the year from the following places: public open spaces where there is a "Dog Exclusion Area" sign or similar; children's play areas; recreational land within the boundaries of schools, colleges, and universities; playgrounds and sports facilities.

Dog Fouling:

When a dog fouls, the person responsible for the dog will be asked to clear the mess immediately. This rule will apply throughout the year to all outdoor spaces the public has access to.

Dogs on lead Under Direction:

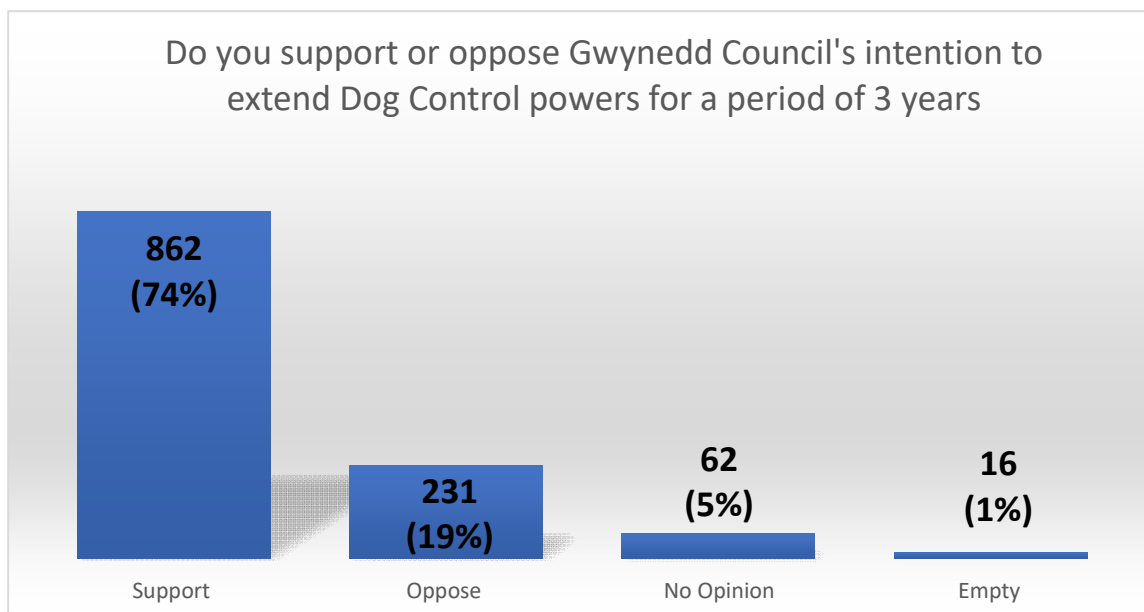

The person responsible for a dog will be required to put that dog on a lead, if an authorised Local Authority officer so directs. This rule will apply throughout the year to all outdoor spaces that the public has access to.

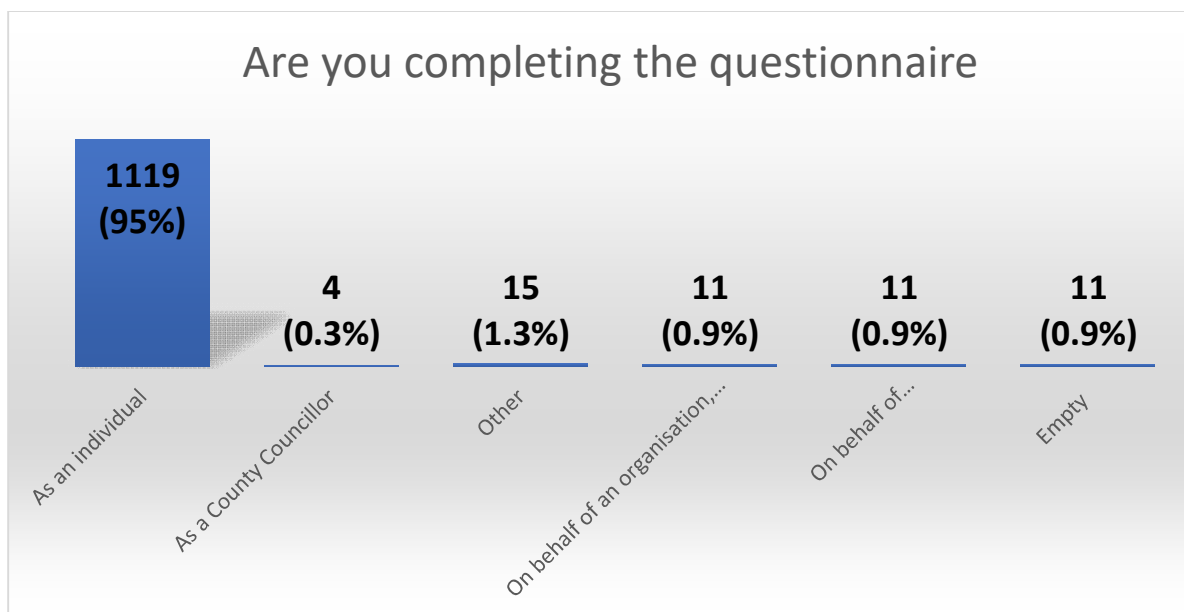

Public Consultation:

As part of the proposed extension of the current order, a public consultation was held. The responses to the public consultation support and justify a continuation of the dog control powers, which include the control of dog fouling, exclusions, and dogs on leads under direction.

A summary of the consultation results are noted below.

Number of consultation responses – 1171

Objections:

Of the 231 responses, 51 (of which had added comments) specifically cited beaches as the main reason for opposing. A percentage objecting is very similar to the consultation in 2021.

Criccieth "Marine" Beach:

The Maritime Service had reported that a number of Criccieth residents and visitors were complaining of a lack of space to take dogs due to exclusion zones along the two main beaches – the Promenade and "Marine" Beach. Based on this the "Marine" Beach exclusion zone was deleted in 2021.

In 2024, 13 objected to the proposed extension on the grounds that they wanted to see the Council re-establish an exclusion zone on "Marine" beach.

Kennel Club a Dog's Trust:

Responses from the two specialist groups, which represent dog owners, were supportive of the aim of extending the length of the current order.

Conclusions:

A clear majority of responses received through the public consultation were supportive of extending the order as it stands, i.e. based on the view that the current order is fair. This reflects the aspirations of the public, to see public spaces free of dog fouling and also considers the needs of those who need to exercise their dogs. There was no consensus for expanding the scope of the order to include additional rules.

It is therefore recommended that the criteria under Section 59 of the 2014 Act have been achieved at and that we proceed with approving the Order in accordance with the proposed Order. The Draft Order which re-imposes the restrictions created by order dated 11th August, 2021 is appended (Appendix 3).

Equality Impact Assessment:

In 2021, a detailed equality impact assessment was prepared in accordance with the requirements of the Equality Act 2010, and it was concluded that there was no valid reason not to continue with the process of submitting the Proposed Order. This document has been updated in 2024 to reflect the results of the new consultation (Appendix 1). The assessment review has not highlighted an impact that would justify modifying or not extending the Order.

In line with the recommendations of the Well-being of Future Generations (Wales) Act 2015 this report has also considered the principles of the legislation and in particular the concept of the 5 ways of working.

Financial Costs:

No additional financial costs to the provision that was established in 2021 have identified.

Declarations of personal interest by any Cabinet Member consulted with and any relevant dispensations approved by the Standards Committee:

None.

Any consultations undertaken prior to making the decision:

See above.

Chief Finance Officer:

Confirm that an appropriate budget has been allocated on a permanent basis for 2022/23 onwards.

Monitoring Officer:

This process has been the subject of advice from the Legal Service. I have no comments to add from a proprietary perspective.

Local Member(s):

Not a local matter.

Equality Impact Assessment

See the leaflet *How to make an Equality Impact Assessment* for help to complete this form. You are also welcome to contact Delyth Williams, Policy and Equality Officer on ext. 32708 or DelythGadlysWilliams@gwynedd.llyw.cymru, for further assistance.

The Council is required (under the Equality Act 2010) to consider the impact any changes in any policy or procedures (or the creation of a new policy or procedure) will have on people with protected equality characteristics. The Council also has additional general duties to ensure fairness and to foster good relationships. Therefore, a timely Equality Impact Assessment should be made before any decision is taken on any relevant change (i.e. that affects people with protected equality characteristics).

I Details

I.1. What is the name of the policy / service in question?

Public Spaces Protection Order (PSPO) in relation to dog control throughout the County.

I.2 What is the purpose of the policy / service that is being created or amended? What changes are being considered?

The legal basis for the Council's original Dog Control Orders has been superseded by newer legislation which means that it is necessary to replace these with new Public Spaces Protection Order for Dog Control.

The 2013 Dog Control Orders related to the prevention of dog fouling, exclusion of dogs from certain sensitive areas such as playing fields, sports facilities with seasonal restrictions on certain bathing beaches and the requirement for dogs on leads under the direction of an authorised officer.

I.3 Who is responsible for this assessment?

Steffan Jones, Head of Highways and Municipal

I.4 When did you commence the assessment? Which version is this?

1 - 01/04/2021 – first version.
2 - 07/07/2021 – updated version
3 - 22/07/2024 – consultation on extending the Order for 3 years up to 2027

APPENDIX I

2) Action

2.1 Who are the partners it will be necessary to work with to undertake this assessment?

People of Gwynedd
Council Staff
The Police
Keep Wales Tidy (Blue Flag)
North Wales Society for the Blind
Assistance Dogs UK
Dogs Trust
Kennel Club
Access Forum

2.2 What steps have you taken to engage with people with protected characteristics?

The Authority must carry out a public consultation on the Proposed Order, which will need to be in place for 28 days following the Welsh Parliamentary election on 6 May 2021.

A public consultation was held in 2024 to get feedback on the proposal to extend the period of the order.

2.3 What was the result of the engagement?

A total of 1,324 responses were received to the questionnaire. In addition, a total of 7 separate emails or messages were received expressing views on the consultation.

Overall, a clear majority of the responses received through the questionnaire were supportive of the content of the Proposed Order as it stands. There was no consensus in favour of expanding the scope of the GDMC to include additional rules.

A detailed report of the consultation response received is included in Appendix 2.

In 2024 a total of 1,171 responses to the questionnaire were received. In addition, a total of 6 were email messages were received expressing opinions on the consultation.

The clear majority of the responses received through the new questionnaire were very supportive of the intention of extend the period of the order as it is. There was no consensus in favour of expanding the scope of the order to include additional rules.

APPENDIX I

2.4 On the basis of what other evidence do you operate?

- The number of complaints about the impact of dog fouling has been increasing locally and such concerns are being reflected in the national media.
- The impact of the current pandemic has contributed to a worsening of the current situation. More dogs are being walked more often and a significant increase in dog ownership has been widely reported.
- In accordance with the results of Keep Wales Tidy's research some groups, such as children, the visually impaired and wheelchair users may be more susceptible to accidental contact with dog fouling and the pathogens it may contain (e.g. Toxocariasis).

2.5 Are there any gaps in the evidence that needs to be collected?

A detailed report of the consultation response received is included in Appendix 2.

3) Identifying the Impact

3.1 The Council must give due attention to the impact any changes will have on people with the following equality characteristics. What impact will the new policy/service or the changes in the policy or service have on people with equality characteristics? You are welcome to add other characteristics if you wish.

Characteristics	What type of impact? *	In what way? What is the evidence?
Race (including ethnicity)	-	No impact identified from the consultation or otherwise.
The Welsh language	-	No impact identified from the consultation or otherwise.
Disability	Positive	Concerns were raised in respect of disability. The consultation responses to the question on protected characteristics suggest that the order would affect disabled people (37 responses). Specifically, concerns were raised about disabled peoples' access to places without restrictions on beaches or being unable to take the dog for a walk if more places were excluded. Some noted the mental health needs of disabled people to be able to go out with their dogs and the need to

APPENDIX I

		<p>ensure that further restrictions did not affect that. “I have a disability and the dog nudging me to take her for a walk forces me to go out, so yes i feel that it would effect us unfairly”. It was noted that this affects carers. Problems for those who cannot drive for any reason, including disability, were also noted.</p> <p>Pathogens (e.g. toxocariasis) from dog faeces can have a worse effect on some people with certain conditions.</p> <p>Others stated that the PSPO would be positive for disabled people in order to tackle dog faeces and safety problems.</p> <p>The dog exclusion rule includes a special dispensation for any person –</p> <ul style="list-style-type: none"> (a) who is registered as a blind person; (b) who is deaf, in respect of a dog trained by Hearing Dogs for Deaf People and upon which that person relies for assistance; or (c) has a disability which affects that person’s mobility, manual dexterity, physical coordination, or ability to lift, carry or otherwise move everyday objects, in respect of a dog trained by a charity specified in the Order and upon which that person relies for assistance. <p>In addition, the rule on requiring clearing up dog faeces includes a special dispensation for any person –</p> <ul style="list-style-type: none"> (a) who is registered as a blind person; or (b) has a disability which affects that person’s mobility, manual dexterity, physical coordination, or ability to lift, carry or otherwise move everyday objects, in respect of a dog trained by a charity specified in the Order and upon which that person relies for assistance. <p>In the circumstances, there is adequate provision to ensure that disabled people would not be placed at a disadvantage as a result of the PSPO. The risk to disabled people of being prevented from accessing beaches or a specific location as a result of the PSPO has been minimised. However, the Council would be willing to look into any specific accessibility problems and rectify these where practicable. It should be emphasised that there is no intention to extend the area of historic exclusion zones or increase their number.</p>
Gender	Negative	In the question about specific characteristics 2 women have stated that there is a need to ensure that the exclusions do

APPENDIX I

		<p>not mean that women have to walk their dogs in isolated areas.</p> <p>The order is not intended to prevent dogs and their owners from access to any public rights of way.</p> <p>4 comments related to lone parent families and the problem of walking the children and dog and accessing play areas. Statistics show that the vast majority of single parent families have a female head of family so that is going to affect women the most.</p> <p>Statistics show that women also tend to have more caring responsibilities than men, both for adults and children, so any comments that appear in the section about young underage families and carers in general will be relevant here.</p> <p>The purpose of the prohibitions in play areas is to protect children and young people from harm. It is not only the unfortunate visual impact of dog fouling as a problem, but also the disease problems associated with it, e.g. toxocariasis which can lead to blindness.</p>
<p>Age</p>	<p>Positive and negative</p>	<p>Two groups are particularly affected here.</p> <p>Young families and children:</p> <p>Most of those who have responded to the specific equality question and have mentioned age have identified problems for families with young children who need to take the children out at the same time as their dog, especially to a park. One person says, "Feels like I am restricted rather than the council taking enforcement action".</p> <p>Again, the purpose of the prohibitions in play areas is to protect children and young people from harm and disease.</p> <p>One respondent has stated that allowing a dog to be within 2 meters of a play area is not unreasonable and it would be advisable to have a designated place, away from the gate, to securely tie a dog. Another proposes that there should be a seat for parents outside the playground to watch the children. One person said, "As a parent I find some exclusion zones exclude me from supporting my family in their sporting activities".</p> <p>The 2 metre restriction only applies to sports pitches (eg rugby and football pitches) and does not affect the vicinity of children's playing fields.</p>

APPENDIX I

		<p>Visits to the beach have also been covered.</p> <p>Comments also stated that the bans would be positive because of dog fouling problems, safety (dogs off leads) and that some children were scared of dogs, with two mentioning a child running into the lane to avoid a dog.</p> <p>The Council intends to conduct a statutory Play Adequacy Survey where there will be an opportunity to consider the needs of children and parents.</p> <p>Older people:</p> <p>Older people are statistically more likely to have mobility difficulties etc. so some of the comments on disability will be relevant.</p> <p>Many of the responses to the question on equality characteristics mention that owning a dog has a positive impact on the mental and physical health of older people and how further restrictions would affect that. Some talk about the need to be able to walk a dog locally: “stopping people exercising their dog on local beaches that could discriminate elderly dog owners living near these beaches who cannot drive or access an alternative.</p> <p>One grandfather has noted that further exclusions would create problems in taking the grandchildren for a walk. Another has said that dog fouling is a problem and it would be easier to take the grandchildren for a walk.</p> <p>The comment that states the need to emphasize that there is no intention to extend the size of the historic zones, or to increase their number, is also applicable here.</p> <p>Some older people had concerns that dogs off a lead could be dangerous and the powers in the order to direct an owner to put an unruly dog on a lead is intended to help alleviate this situation.</p> <p>Toxicara</p> <p>Many dogs are infected with parasites that can cause harm to people, especially children and vulnerable people. Toxocariasis is a disease caused by eggs from the Toxicara worm which is transmitted from dogs to humans through</p>

Sexual orientation	-	No impact identified.
Religion or belief (or non-belief)	-	No impact identified.
Gender reassignment	-	No impact identified.
Pregnancy and maternity	Positive	No additional comments have been made on the basis of pregnancy and maternity except for those who appear under children and young families in the Age category. Toxocariasis is generally more common in young children and the elderly.
Marriage and civil partnership	-	No impact identified.

3.2 The Council has a duty under the Equalities Act 2010 to contribute positively to a fairer society through advancing equality and good relations in its activities in the fields of age, gender, sexual orientation, religion, race, transgender, disability and pregnancy and maternity. The Council must give due attention to the way any change affects these duties.

General Duties of the Equality Act	Does it have an impact?	In what way? What is the evidence?
Abolishing illegal discrimination, harassment and victimisation	Yes	The issue of access, particularly to beaches, has been considered in 3.1
Promoting equal opportunities	Yes	Equal opportunities for children to have a suitable place to play, and for wheelchair users in a clean and safe environment.
Encouraging good relationships	None	No impact identified.

Socio-Economic Duty	Yes	A clean and safe environment benefits the economy.

4) Analysing the results

4.1 Is the policy therefore likely to have a significant, positive impact on any of the equality characteristics or the General Duty? What is the reason for this?

Positive health effects identified, especially for children, and a clean and safe environment for all.

4.2 Is the policy therefore likely to have a significant, negative impact on any of the equality characteristics or the General Duty? What is the reason for this?

We have not identified any significant negative impact.

4.3 What should be done?

Select one of the following:

Continue with the policy / service as it is robust.	X
Adapt the policy to delete any barriers.	
Suspend and delete the policy as the detrimental impacts are too big.	
Continue with the policy as any detrimental impact can be justified.	
Proceed with the consultation to gather more information.	

4.4 If you continue with the plan, what steps will you take to reduce or mitigate any negative impacts?

We will proceed with the consultation and assess what negative effects are identified.

4.5 If you are not taking any further action to delete or reduce the negative impacts, explain why here.

Not applicable.

APPENDIX I

5) Monitoring

5.1 What steps will you take to monitor the impact and effectiveness of the policy or service (action plan)?

Use of the Council's customer care systems (Ffos) where any complaints and queries regarding the policy are recorded, together with a record of any follow-up action and remedies.

Implementation - An action plan will ensure that the new operational arrangements are in place in a timely manner.

The number of enforcement interventions for non-compliance with the policy will be recorded.

GWYNEDD COUNCIL

ANTI-SOCIAL BEHAVIOUR, CRIME AND POLICING ACT 2014

GWYNEDD COUNCIL (DOG CONTROL) PUBLIC SPACES PROTECTION ORDER 2021

Gwynedd Council (“the Council”), in exercise of the powers conferred upon it by section 59 of the Anti-social Behaviour, Crime and Policing Act 2014 (“the Act”), makes the following Order:

1. The name of this Order is the Gwynedd Council (Dog Control) Public Spaces Protection Order 2021.
2. This Order comes into force on 15 August 2021 and shall remain in force for a period of 3 years until 14 August 2024 unless in the meantime it is revoked, amended or extended by further Order in accordance with the Council’s statutory powers.

Dogs exclusion

3. Article 4 applies to the land specified in Schedule 1.
4. (1) During the times specified in Schedule 2, a person in charge of a dog shall be prohibited from taking that dog on to land to which this article applies, or from allowing the dog to enter or to remain on that land, unless –
 - (a) that person has a reasonable excuse for doing so; or
 - (b) the owner, occupier or other person or authority having control of the land has consented (generally or specifically) to that person doing so.
- (2) Nothing in this article applies to a person who –
 - (a) is registered as a blind person in a register compiled under section 29 of the National Assistance Act 1948; or
 - (b) is deaf, in respect of a dog trained by Hearing Dogs for Deaf People (registered charity number 293358) and upon which that person relies for assistance; or
 - (c) has a disability which affects that person’s mobility, manual dexterity, physical coordination or ability to lift, carry or otherwise move everyday objects, in respect of a dog trained by a prescribed charity and upon which that person relies for assistance.
- (3) For the purposes of this article –
 - (a) a person who habitually has a dog in their possession is taken to be in charge of the dog at any time unless at that time some other person is in charge of the dog;

(b) each of the following is a “prescribed charity” –

(i) Dogs for the Disabled (registered charity number 700454);

(ii) Support Dogs (registered charity number 1088281);

(iii) Canine Partners for Independence (registered charity number 803680).

Fouling of land by dogs

5. Article 6 applies to the land specified in Schedule 3.

6. (1) If a person who is in charge of a dog causes or allows that dog to defecate at any time on land to which this article applies, that person shall remove the faeces from the land forthwith, unless —

(a) that person has a reasonable excuse for failing to do so; or

(b) the owner, occupier or other person or authority having control of the land has consented (generally or specifically) to that person failing to do so.

(2) Nothing in this article applies to a person who –

(a) is registered as a blind person in a register compiled under section 29 of the National Assistance Act 1948; or

(b) has a disability which affects that person’s mobility, manual dexterity, physical coordination or ability to lift, carry or otherwise move everyday objects, in respect of a dog trained by a prescribed charity and upon which that person relies for assistance.

(3) For the purposes of this article –

(a) a person who habitually has a dog in their possession is taken to be in charge of the dog at any time unless at that time some other person is in charge of the dog;

(b) placing the faeces in a receptacle on the land which is provided for the purpose, or for the disposal of waste, shall be a sufficient removal from the land;

(c) being unaware of the defecation (whether by reason of not being in the vicinity or otherwise), or not having a device for or other suitable means of removing the faeces shall not be a reasonable excuse for failing to remove the faeces;

(d) each of the following is a “prescribed charity” –

(i) Dogs for the Disabled (registered charity number 700454);

(ii) Support Dogs (registered charity number 1088281);

(iii) Canine Partners for Independence (registered charity number 803680).

Dogs on lead by direction

7. Article 8 applies to the land specified in Schedule 3.

8. (1) At all times and on land to which this article applies, a person in charge of a dog shall be required to comply with any direction given by an authorised person to put and keep the dog on a lead of not more than 2 metres in length, unless –

(a) that person has a reasonable excuse for failing to do so; or

(b) the owner, occupier or other person or authority having control of the land has consented (generally or specifically) to that person failing to do so.

(2) For the purposes of this article –

(a) a person who habitually has a dog in their possession is taken to be in charge of the dog at any time unless at that time some other person is in charge of the dog;

(b) an authorised person may only give a direction under this article to put and keep a dog on a lead if such restraint is reasonably necessary to prevent a nuisance or behaviour by the dog likely to cause annoyance or disturbance to any other person on any land to which this article applies or the worrying or disturbance of any animal or bird.

(3) In this article an “authorised person” means a person who is authorised in writing by the Council for the purpose of giving directions under this article.

Penalty

9. A person who does anything that he is prohibited from doing by this Order, or fails to comply with any requirement therein, shall be guilty of an offence under section 67 of the Act and shall be liable, upon summary conviction, to a fine not exceeding level 3 on the standard scale.

Challenging the Order

10. In accordance with section 66 of the Act, any interested person who wishes to challenge the validity of this Order on the grounds that the Council did not have the power to make the Order or that a requirement under the Act has not been complied with may apply to the High Court within 6 weeks from the date upon which the Order is made.

CYNGOR GWYNEDD

ANTI-SOCIAL BEHAVIOUR, CRIME AND POLICING ACT 2014

GWYNEDD COUNCIL (DOG CONTROL) PUBLIC SPACES PROTECTION ORDER 2024

Cyngor Gwynedd ("the Council"), in exercise of the powers conferred upon it by section 59 and section 60 of the Anti-social Behaviour, Crime and Policing Act 2014 ("the Act"), makes the following Order:

1. The name of this Order is the "Cyngor Gwynedd (Dog Control) Public Spaces Protection Order 2024" (this Order).
2. This Order comes into force on 15th August 2024 and shall remain in force for a period of 3 years until 14th August 2027, unless in the meantime it is revoked, amended or extended by further Order under the Council's statutory powers.
3. On 11th August 2021 the Council made an order named "Gwynedd Council (Dog Control) Public Spaces Protection Order 2021" (the 2021 Order), and it shall expire on 14th August 2024.
4. This Order applies to the areas listed in Schedule 1 to the 2019 Order and identified in the maps following the said Schedule.
5. The Council are satisfied on reasonable grounds that extending the 2021 Order is necessary to (i) prevent an occurrence or reoccurrence of the activities identified in the 2021 Order or (ii) to prevent an increase in the frequency or seriousness of the activities identified in the 2021 Order; and for (i) and (ii) those activities would have happened after the expiration of the 2021 Order.

ATODIAD 3

6. From the date this Order comes into force and until its expiry this Order provides that the provisions of the 2021 Order shall be renewed and shall be in force, and the said provisions shall be effective and enforceable.

7. In accordance with section 66 of the Act, any interested person who wishes to challenge the validity of this Order on the grounds that the Council did not have the power to make this Order or that a requirement under the Act has not been complied with may apply to the High Court within 6 weeks from the date upon which this Order is made.
