Dear Mr Jones

Re: Schedule of Additional Potential Changes to the Plan

The report "Views on comments about Matters Arising Changes" (DA.045) identified a number of additional changes to the Plan following consideration of the comments received during the public consultation period. These additional changes have been included in a Schedule in Appendix 1 to this letter. The accompanying text explains that this is a draft list of additional changes at present because discussions at the next Hearings could lead to changes to the Schedule.

Yours sincerely

Nia Haf Davies
Planning Manager (Policy)
