

New school in Cricieth

Proposal to change the capacity of Ysgol Trefferthyr Cricieth to 150 and move the school to a new location for September 2023.

Statutory Consultation - Primary Pupil Version.
6 November – 18 December 2020.

Introduction

Gwynedd Council is considering increasing the number of children who would go to Ysgol Treferythyr and build a brand new school in Cricieth.

This is because the current building of Ysgol Treferythyr is in a poor state and a new school needs to be built for the children of Cricieth.

We would like to know how you feel about this. What do you think about having a new school?

This document will explain to you what happens next.

Why build a new school?

The current school is in a poor state of repair and no improvements can be made.

Funding has come from the Welsh Government to build a new school.

What does this mean to you?

You will get a new school with modern new equipment and more outdoor play space.

The new school will be built on another site in Cricieth.

Your new school could look like this...

YSGOL
BRO LLIFON

Pennaeth/Headteacher: Mrs Swyn Mador Owen

The new school will be built here

This is where Ysgol Treferythyr is now

How do you feel about this?
